The average person spends about 23 years of his or her life in bed. Here are estimates of how most Americans spend their waking hours during those 70 years:</p> <ul style="list-style-type: none"> • 11 years working • 8 years in leisure pursuits • 6 years eating • 5 years grooming • 4 years being educated • 3 years talking • 2 years reading • 6 months worshipping God <p>Perhaps Sunday morning worship isn't as long as it seems.</p>					

"The purest faith has to be tested by silence in which we listen for the unexpected, in which we are open to what we do not yet know, and in which we slowly and gradually prepare for the day when we will reach out to a new level of being with God." —Thomas Merton
